EXPERIENCE

Missouri S&T Satellite Research Team (MSAT)

Aug 2022 - Present

Missouri University of Science & Technology

Rolla, MO

- Two active missions, MR/MRS and M3
- Chief Engineer of our M3 mission (set to launch January 2024)
- Lead and teach a team of 20
- Develop sensor and circuitry board communication throughout satellite
- Building software flow of mission
- Conducted Pulse Density Modulation testing to determine magnitude of thrust
- Worked with global simulation program to simulate our mission
- Use LaTeX to create proper documentation

SHPE Executive Board Position

Jan 2023 - Present

Missouri University of Science & Technology

Rolla, MO

- Society of Hispanic Professional Engineers (SHPE)
- Person Relations Chair
- Control all social media pages
- Create a family 'familia' environment away from home

Tour Guide

Jan 2023 - Present

Missouri University of Science and Technology

Rolla, MO

- Give tours of our Mechanical and Aerospace Engineering building
- Give advice from a current student's perspective

Success Center Certified Tutor

Aug 2021 - July 2022

Southwestern Illinois College

Belleville, IL

- Tutored for three semesters at the Success Center, assisting students in mathematics and science
- Collaborated with other peer tutors to help solve complex tutee problems
- Certified tutor with the International College Reading and Learning Association (CRLA)

EDUCATION

Missouri University of Science & Technology

Fall 2022 - Spring 2025

B.S. in Aerospace Engineering

GPA: 3.7

Aero Vehicle Performance; Aircraft Design Lab; Spacecraft Design Lab; Mechanics of Materials

Southwestern Illinois College

Jun 2021 - Aug 2022

Pursued Associates in Science

GPA: 3.8

SKILLS

- | | | |
|--------------|--|-----------------------|
| - Respectful | - Good Energy | - Strong Communicator |
| - Python | - GNC simulation program level 1 certified | - C++ |
| - MatLab | - Circuitry board communication | - LaTeX |
