EXPERIENCE

Missouri S&T Satellite Research Team (MSAT)

Aug 2022 - Present

Missouri University of Science & Technology

Rolla, MO

- Two active missions, funded by NASA and Air Force Research Laboratory
- Integrating to Chief Engineer of our M3 mission (set to launch January 2024)
- Lead communication for team of 20
- Teach circuitry board communication and integrate new members into mission
- Program sensor and circuitry board communication throughout satellite
- Building software flow (start to end) of autonomous satellite's mission with team
- Conducted Pulse Density Modulation testing to determine magnitude of thrust
- Worked with global simulation program (AGI STK) to simulate our mission in space

SHPE Executive Board Position

Jan 2023 - Present

Missouri University of Science & Technology

Rolla, MO

- Society of Hispanic Professional Engineers (SHPE)
- Person Relations Chair (executive board position)
- Control all social media pages with the goal of increasing student engagement
- Create a family 'familia' environment away from home in weekly meetings and by hosting events

Tour Guide

Jan 2023 - Present

Missouri University of Science and Technology

Rolla, MO

- Give tours of our Mechanical and Aerospace Engineering building and labs
- Give honest advice from a current student's perspective to improve potential students outlook on S&T

Success Center Certified Tutor

Aug 2021 - July 2022

Southwestern Illinois College

Belleville, IL

- Tutored for three semesters at the Success Center, assisting students in mathematics and science
- Collaborated with other peer tutors to address student comprehension challenges
- Certified tutor with the International College Reading and Learning Association (CRLA)

EDUCATION

Missouri University of Science & Technology

Fall 2022 - Spring 2025

B.S. in Aerospace Engineering

GPA: 3.7

Aero Vehicle Performance; Aircraft Design Lab; Spacecraft Design Lab; Mechanics of Materials

Southwestern Illinois College

Jun 2021 - Aug 2022

Pursued Associates in Science

GPA: 3.8

SKILLS

- | | | |
|-----------------------------|---------------------------------|-----------------|
| - AGI STK level 1 certified | - Leadership | - Team Building |
| - Python | - Strong Communicator | - C++ |
| - MatLab | - Circuitry board communication | - LaTeX |
