EXPERIENCE

Missouri S&T Satellite Research Team (M-SAT)

Aug 2022 - Present

Missouri University of Science & Technology

Rolla, MO

- Chief Engineer of MR/MRS SAT mission
- Trouble shooting SPI, I2C, and USART communication on PCB's to develop C++ library
- Implementing software library into the flight software to encompass entire mission operations and error handling
- Developing our ground station to communicate with our satellite on orbit and organize downlinked data
- Used global simulation program to verify required distance from ISS was met before start of mission

Northrop Grumman Internship

June 2023 - Aug 2023

Northrop Grumman Space Sector

Gilbert, AZ

- Specialty Systems Engineer Intern at satellite manufacturing facility
- Exposure to industry with requirements, a paying customer, deadlines, and expected mission success
- Performed analyses and created documentation to verify launch requirements from the launch provider
- Proposed requirement wording changes so that no additional spacecraft testing was needed

SHPE Executive Board Position

Jan 2023 - Present

Society of Hispanic Professional Engineers

Rolla, MO

- Personal Relations Chair
- Support professional development of members by coordinating company sponsored professional development events
- Empower Hispanics to succeed in STEM by hosting weekly meetings and school wide events
- Control all social media pages with the goal of increasing student engagement

Peer Tutor

Aug 2021 - July 2022

Southwestern Illinois College

Belleville, IL

- Tutored for three semesters at the Success Center, assisting students in mathematics and science
- Collaborated with other peer tutors to address student comprehension challenges
- Improved skill of putting my thoughts into words that can be better understood by others

EDUCATION

Missouri University of Science & Technology

Fall 2022 - Spring 2025

B.S. in Aerospace Engineering

GPA: 3.8

Orbital Mechanics I; Aircraft Design Lab; Spacecraft Design Lab; Aerodynamics I

Southwestern Illinois College

Jun 2021 - Aug 2022

Pursued Associates in Science

GPA: 3.8
